Level Three – 3 points for each correct answer

Questions 26-30. For each question choose the correct answer.

A: What do you do after school each day?
B: I do different things every day. On Monday I usually go home after school and watch TV because we usually don't have any homework on Mondays.
A: Wow! No homework on Mondays. That's nice. How about the other days?
B: I have basketball practice every Tuesday evening and on Wednesday I go swimming with friends at the town swimming pool.
A: Is the swimming pool nice?
B: Yes. Maybe you can come with us next week?
A: Oh, I'd like that. And what do you do on Thursday and Friday?
B: Well, on Thursday I go cycling because I am also in the cycling club. You can join if you like …
A: Maybe, but first I need to buy a bicycle.
B: … and on Friday night I always go to the cinema with my friends. That's my favourite night.
A: I actually prefer Saturdays. No school! I play football in the afternoon. What do you do?

B: Oh, on Saturday I go shopping with my friends. Sometimes I buy a CD or a book. I like reading on Sunday afternoons when I don't have any homework.

26. Why does B prefer to do on Friday night?
    a. Because B likes to read books.
    b. Because B can relax and watch TV.
    c. Because B has basketball practice.
    d. Because B goes to the cinema with friends.
    e. Because B doesn't have any homework.

27. What can be concluded about A's interest in joining the cycling club?
    a. A is not interested in cycling at all.
    b. A wants to join but needs a bicycle first.
    c. A prefers to play football instead.
    d. A is already a member of the cycling club.
    e. A doesn't have free time.

28. What might be a reason B goes shopping on Saturdays?
    a. B is preparing for a cycling competition.
    b. B enjoys spending time with friends.
    c. B wants to buy a new bicycle.
    d. B has no other plans on Saturdays.
    e. B always buys CDs and books.

29. Why might B invite A to the swimming pool?
    a. B wants to introduce A to his parents.
    b. B needs a swimming partner for practice.
    c. B wants to teach A how to swim.
    d. A has nothing to do at home.
    e. B enjoys swimming and thinks A will too.

30. What can we conclude about B's interests from his activities?
    a. B enjoys studying and doing homework.
    b. B dislikes being with friends.
    c. B is interested in sports and social activities.
    d. B prefers to stay home and relax.
    e. B doesn't like physical activities.
