Level Three – 3 points for each correct answer

Questions 26-30. For each question choose the correct answer.

Entertainment plays a key role in our lives, helping us relax and enjoy free time. People can spend their free time in different ways, such as watching movies, TV shows, listening to music, or playing video games. Going to the cinema or watching a movie at home with friends or family is a popular free time activity.

Outdoor activities like visiting a park, playing sports, or having a picnic also provide entertainment. Sports such as soccer, basketball, and swimming keep you active and allow you to socialise.

Reading books or comics is another way to relax and learn new things. Whether it's an exciting story or interesting facts, books create new worlds.

Creative hobbies like drawing, painting, and dancing allow people to express themselves and develop skills.

It's important to choose entertainment that makes you happy and offers a balance between relaxation and fun. Entertainment is a wonderful way to enjoy free time!

26. Why might outdoor activities like playing sports or having a picnic be considered more beneficial than watching TV?

a. They are less expensive than watching TV.
b. They help you communicate with people.
c. They require no equipment or preparation.
d. They are more entertaining than watching TV.
e. They allow you to enjoy nature and fresh air.

27. What is stated about reading books or comics as a form of entertainment?

a. Books are only entertaining if they are educational.
b. Books are less popular than movies or TV shows.
c. Books are not considered a relaxing form of entertainment.
d. Books provide a chance to relax and discover new information.
e. Books are always filled with exciting stories and facts.

28. Why might creative hobbies like drawing or dancing be considered unique forms of entertainment?

a. They are more relaxing than other activities.
b. They require no special tools or materials.
c. They allow for self-expression and skill development.
d. They help you stay physically active.
e. They are easier to learn than sports.

Travel and holidays are exciting experiences that many people look forward to. Travelling allows you to explore new places, meet different people, and try new foods and activities. It can be a great way to relax or have an adventure. There are many ways to travel, such as by car, bus, plane, or train.

When you go on holiday, you can choose to visit a beach, a city, a mountain, or even a country you've never been to before. Some people like to stay in hotels, while others prefer to rent a house or even camp outside. It all depends on the kind of holiday you want to have.

During holidays, you can enjoy activities like swimming, hiking, shopping, or sightseeing. Visiting famous landmarks, museums, or theme parks can be fun for the whole family. Many people also like to try local foods and learn about the culture of the place they are visiting.

Holidays are a perfect time to take a break from work or school. It helps you relax, spend time with family and friends, and make memories that last a lifetime. Whether you are travelling near or far, holidays give you a chance to discover the world and enjoy life!

29. Choose the best heading from the options below.

a. The Benefits of Travelling
b. How to Pack for Your Next Trip
c. The Different Types of Holidays
d. What to Do When You Are Bored on Vacation
e. Exploring New Destinations and Cultures

30. Identify the False statement.

a. Travelling allows you to explore new places and meet different people.
b. You can visit a beach, a city, or a mountain on holiday.
c. Everyone stays in hotels when they go on holiday.
d. Activities like hiking, shopping, and sightseeing are common during holidays.
e. You can try national cuisine and learn about the culture.
