Questions 26-30 [3 point for the correct answer]

26. According to the text what makes Dana feel proud?
Dana is a middle school student who enjoys learning new things every day. She likes helping her classmates when they have trouble with homework. Dana believes that sharing knowledge makes everyone feel smarter and happier.
She also spends time reading books about famous inventors and dreams of becoming a scientist one day. When Dana finishes a project successfully, she feels proud of her hard work and effort.

A. Playing games on a phone
B. Assisting her friends
C. Walking outside with her dog
D. Spending time doing sports
E. Sewing and making crafts

27. Why was Ben excited last weekend?
Last weekend, Ben went hiking with his friends in the mountains. The weather was sunny, and they followed a small river through the forest. After two hours, they reached a beautiful waterfall. Ben took many photos and even swam in the cold water.
It was his first time visiting this place, and he couldn't stop smiling all the way home.

A. Because he was gifted a new phone
B. Because he spent time outdoors and saw a waterfall
C. Because he met new friends
D. Because he finished his homework early
E. Because he learnt how to swim

28. What does the writer think about city life?
Living in a big city can be exciting, but it also has its challenges. There are shops, cafes, and entertainment everywhere, so people never get bored. However, the streets are often crowded, and traffic can be terrible during the day.
Some people say city life is too noisy, while others enjoy the energy and movement around them. The writer believes that if you learn to find quiet moments - maybe in a park or near a river - you can enjoy the city without feeling tired of it.

A. The writer criticizes the city life
B. The writer has never been to a big city
C. The writer enjoys the city but needs calm places sometimes
D. The writer wants to live in a cozy village
E. The writer does not express personal opinion

29. According to the text, what is the main advantage of swimming?
Swimming is one of the few sports that works for people of all ages. It strengthens the heart, lungs, and muscles while putting little stress on the joints. Because water supports the body, swimmers can train longer without getting as tired as in other sports.

Many doctors recommend swimming for people recovering from injuries or those who want to improve overall fitness. Regular swimming also helps with coordination and breathing control.

A. It is one of the easiest sports to do
B. It helps improve health without harming the body
C. It is relatively expensive
D. It is not popular among teenagers
E. It is dangerous and is not recommended

30. According to the text, what is the main purpose of keeping a hobby?

Having a hobby is an important part of life. It gives people a chance to use their free time in a productive way. Some people enjoy building models or drawing, while others prefer gardening, reading, or playing an instrument.

Hobbies can help people learn new skills, discover talents, and even find new friends with similar interests.

They also make time away from work or study feel meaningful.

A. To waste time aimlessly
B. To feel better than others
C. To distract yourself from school
D. To get praise from your parents
E. To learn new skills and use free time wisely
